

**DECLARATION  
OF  
CONFORMITY**

This is to certify that this equipment, designed and manufactured by:

**INFICON Inc.  
Two Technology Place  
East Syracuse, NY 13057  
USA**

Meets the essential safety requirements of the European Union and is placed on the market accordingly. It has been constructed in accordance with good engineering practice in safety matters in force in the Community and does not endanger the safety of persons, domestic animals or property when properly installed and maintained and used in applications for which it was made.

**Equipment Description:** **IQM-233 Thin Film Deposition Controller**

**Applicable Directives:** 2014/35/EU (LVD)  
2014/30/EU (General EMC)  
2011/65/EU (RoHS2)

**Applicable Standards:**

|            |                                                                                                                                                                                                                                                                                         |
